Notes:

- 1) *It is proposed that the Club membership subscription should remain at £12 for 2020 (unchanged from the current year). This will apply to all members, but those who choose to register with England Athletics will also need to pay the separate EA fee, which the Club collects and passes on to EA on behalf of members.*
- 2) *Any Other Business will include a draw for our London Marathon 2020 place. We expect to receive ONE club entry, although this will not be officially confirmed until late November. To be eligible for the draw, members must be EA-registered athletes who have been paid-up Strugglers for at least the last 12 months, were rejected in the 2020 LM ballot and did not receive the Club place last time (2019 race).*
